EuroVelo National Coordination
Ideal situation

Coordination of national routes and EuroVelo routes are in the same hands and cover the whole country.

- European routes
- National routes
- Regional routes
- Local routes
Solutions for coordination

• National Contact Points (NCP)

• National EuroVelo Coordinators (NEC) – single organisation - temporary solution

• National EuroVelo Coordination Centers (NECCs) - consortia - permanent solution
Members of an NECC

• Public authorities (ministries, agencies etc.) responsible for transport, tourism, regional development

• Public transport companies

• Private enterprises (tour operators etc.)

• NGO`s
